## **OUR PROGRAMS**

Hunger disparities affect all cultures and are rooted in the inequalities of those with the least social, economic, and political power. Racial inequity because of wage and wealth disparities, along with location and access of services provides a larger gap. Our programs serve the most vulnerable with dignity and respect.

#### **Food Pantry**

The food pantry provides nutritional and accessible food to those in need. Open four days a week, we offer fresh fruits and vegetables, meats, diary, and non-perishable proteins and other foods. We also offer baby food, diapers, and pet food when available.

### Kids Backpack Program

Every Friday, non-perishable food is placed into backpacks for Sumner-Bonney Lake school children who have been identified as in-need. Kid-Friendly food is provided so that students have food over the weekend so they can come back to school nourished and ready to learn.
